

## Vacancy Notice 172/2019

The Otto von Guericke University Magdeburg (OVGU) is an internationally oriented and regionally networked university with a strong research profile.

The Chair of Sensory Physiology (Prof. K. Krug – Heisenberg Professorship) of the Faculty of Natural Sciences seeks to fill the following vacancy:

### **technical assistant/research assistant (m/f/d) for computer-controlled, neurophysiological experiments with non-human primates**

Salary Scale:	Date commencing:	Fixed term until:	Contract status:
7–8 TV–L	next possible date	permanent	100 %

#### **Tasks:**

We seek a technical assistant/research assistant for computer-controlled, neurophysiological experiments with non-human primates.

You will contribute to the preparation and conduct of experiments, coordination of laboratory tasks, and storage and analysis of data.

#### **Requirements:**

- completed training as a medical-technical assistant or a bachelor degree in a science-related field
- experience with neurophysiological recordings or similar neurophysiological methods (e.g. EEG or MRI) and/or in the area of animal experimentation and you are motivated to learn new techniques in which training will be provided
- experience in the set-up and operation of databases, and with data handling
- you are able to work independently as well as part of a team, have organisational talent, social competence and communicate well with others
- because our group is international, you should have basic communication skills in English

If you have questions about the advertised position, please contact Frau Bianka Gehe (phone +49 3916263-91331) or Prof. Kristine Krug ([kristine.krug@ovgu.de](mailto:kristine.krug@ovgu.de)).

Applications from disabled persons will be given priority in the case of equal suitability, ability and professional expertise. The Otto-von-Guericke-University promotes equal opportunities for women and men within the university and specifically encourages women to apply.
