

## Vacancy Notice

The Otto von Guericke University Magdeburg (OVGU) is an internationally oriented and regionally networked university with a strong research profile.

The Faculty of Humanities at the Otto von Guericke University Magdeburg (OVGU) invites applications for the position at the the Institute 1: Education, Vocation and Media of a

### W3 professorship "Educational Science with a focus on digital media cultures" (m/f/d)

to begin in April 1, 2022.

Requirements for employment are excellent media-educational research on digital media, verified by an outstanding track record in publications and externally funded projects. In addition, requirements include a relevant and above-average doctoral thesis, as well as a postdoctoral thesis (habilitation) or equivalent academic qualifications. A recognizable focus on informal educational processes and media cultures as well as a view to formal or nonfor-mal educational contexts is expected. Furthermore, teaching competence is expected, proven by e.g. teaching evaluations. Experience in university self-administration and in the coordination of academic teaching as well as the willingness to network with internal and non-university actors and institutions in the region are desirable.

#### Tasks:

- the professorship represents the media education in its entirety. The professorship takes over the course management in the M.A. Medienbildung and develops the media education profile of the location in research and teaching
- the professorship mainly teaches in the B.A. and M.A. courses in media education, but also offers courses in educational science, teacher training, German and computer science
- in research, original contributions to media education, the development of interdisciplinary networks along the university's main profile areas and a clear strategy for acquiring third-party funding are expected
- the involvement in university self-administration, participation in activities to promote young talent and the third mission in the region are just as natural as a collegial understanding of leadership and cooperation

Employment is based on the preconditions for appointment according to § 35 (2, 3) of the Higher Education Act for the Federal State of Saxony-Anhalt (*Hochschulgesetz Sachsen-Anhalt*).

Applications from disabled persons will be given priority in the case of equal suitability, ability and professional expertise. The Otto von Guericke University aims to increase the proportion of women researchers within the university and specifically encourages women to apply.
