Matrikel-No.: _____

Surname: _____ First Name: _____

Date of birth: _____ Place of birth _____ Country _____

Post address in Germany: _____

Student E-Mail: _____

Study Course: (please tick as appropriate)

Chemical and Energy Engineering

Process Safety and Environmental Engineering

Exchange student

Declaration:

I hereby declare that I am aware of the currently valid study and examination regulations for the respective study program and that I have not yet successfully passed any examinations in the enrolled study course or in a comparable degree program at a university or equivalent educational institution within the scope of the higher education framework law.

I am aware that I can only take exams if I have registered before (registration period 15th to 30th of November for winter semester and 15th to 31st of May for summer semester) and have completed the required pre-exams.

I hereby consent to the internal use and dissemination of my student e-mail address for the creation of lists for the degree program consultant or similar.
